Hi Stephen,

Apologies for the delay in getting back to you, but i was on holidays for a few weeks.

You contacted the managing agent who confirmed no notices were received by them, so i don't understand how you could say that it is inconclusive. Did Netstrata provide evidence to the contrary?

Last year when I attended Netstrata's office, the receptionist claimed that ALL notices were being sent to the managing agent. And when speaking to my managing agent he was of the view correspondence was being sent via email and not post.

I have a few questions regarding to the strata manager Dianne Copping and her conduct at the AGM. She stated that Our scheme isn't charged any brokerage, yet I have invoices from Strata Insurance Services (SIS) showing otherwise (NOTE: this is disclosed in the meeting notice. She also claimed that she knew nothing about them as they are a different company, yet the AGM Meeting notice stated it outright. It is also plastered across their front door as one of the companies under their license. What can be done about this?

in addition, when i collected the 'strata roll' (attached), i later found out that they withheld all the owners details. they only provided mine. Can you request them to email me a copy. Would i be required to pay another fee considering they (purposely) provided me with the wrong thing?

Regards,

my mobile no. is

Dear Mr

I refer to your correspondence regarding the management of SP by Netstrata (the Agency).

A Fair Trading Officer contacted the Agency who provided a response regarding the allegations raised in your correspondence. From in the information received, Fair Trading was unable to conclusively determine whether copies of notices/agendas for annual general meetings were sent to you. If you believe the owners corporation are not meeting their obligations under the Strata Schemes Management Act 2015 in sending out required documents, you have the option to apply for mediation through Fair Trading's Mediation Services Unit. Information including the application form can be found at:

Hi Dianne

Hope you're well.

I have recently carried out an outgoing inspection at the above property and found there to be a wet patch outside of the bathroom where the carpet joins to the entrance tiles. I have attached 2 photos for your records.

It is still wet after a week so I believe it is an on going slow leak. Can you please send someone out ASAP as I believe there was a leak from upstairs that was handled last year.

Also on a separate note, can you please ensure that all notices and anything to do with the property is sent to this email from here on out.

If you need anything else from me please let me know.

Thank you.

Kind Regards

Can you check your inbox for an EGM notice and AGM notice. All I have from you is that and AGM is coming.

And then check sent items for EGM because I didn't receive anything.

Thanks for mailing back.

Yes I have received one.

It's just whenever we receive a copy we will also forward to you because strata doesn't indicate if they have sent one to you individually.

Kind Regards

Hi

RE: | Minutes of EGM -

Thank you for your email.

I understand that all levies, notices, minutes and correspondence are currently being sent to your office: [rentals](#). A date has not yet been scheduled for the AGM as we are working in the background to see if there can be any reductions in the loan interest rate provided by given the current climate conditions.
