

Strata Fees

From:

To: tyson.major@netstrata.com.au

Date: Friday, 7 October 2022 at 03:07 pm AEDT

Hi Tyson,

I received this contribution notice in the mail today - attached. According to this i am in arrears. I have not received any other notices in the mail or any reminder notices from you.

SO i checked my emails from Netstrata and there were email notices, which as i mentioned earlier, i do not read as they are full of lies and other BS. It is obvious that you or someone else from your office changed the delivery of notification to us.

On that basis i have paid the strata fees to date, excluding any interest, excluding the arrears notice fees, excluding the postage fee - attached.

Can you tell me, if i was unfinancial at the AGM dated 29.9.2022 why did you not mention it then, and why did you allow me to vote?

Can you also tell me, what is the \$3.30 postage fee, and why am i being charged this?

PLEASE note, this matter has been referred to my lawyer.

Hi Tyson,

I have just noticed that I have recently received two notices from Netstrata via email.

Correct me if I am wrong however I have specifically requested that all notices be sent by post, unless otherwise instructed or agreed upon,

Could you tell me who authorised this change and on what basis?

The reason being is that I don't read emails from Netstrata as they are full of lies and other BS.

I await your response.

Dear Owners,

The Annual Fire Safety Inspection has recently taken place for your lot in the above-mentioned strata scheme. It was noted that repairs are required to either your entry door or smoke detector to ensure compliance with council and environmental regulations.

Please note for repairs to be completed, access to your premises will be required, see correspondence attached for details.

Hi ,

Thanks for your email, confirming this was mentioned at the start of the meeting with the unfinancial lots for our quorum. You did also hold a proxy which your vote was exercised for.

In relation to the \$3.30 charge. This is a new charge which commenced in January 2022, and it relates to any owners receiving their levy notice via mail. If they receive the levy in this fashion, it will incur a processing fee.

Thanks Tyson, but i just viewed the recording and you never mentioned anything. Another lie that will be forwarded to my lawyer.

I must also note that on the contribution notice you posted there was only one postage fee charge. Shouldn't there have been at least another charge if you had sent them via post as to which you claimed?

Also gone to my lawyer.

On that basis i authorise Netstrata to deliver ALL notices electronically from this day forward. This will also provide tracking and evidence for the future.

Hi ,

Please review your recording (which I note was not advised to myself or any participants nor was any express or implied consent granted) as that is incorrect, it was noted.

In regards to the postage charge it commenced in January 2022 however was rolled out partially through our portfolio.

Confirming I have now updated your preference to email. Enjoy your evening.

Friendly Reminder | Your November Levies

From: Notices Netstrata (notices@netstrata.com.au)

To:

Date: Friday, 11 November 2022 at 01:27 am AEDT

Dear Owners,

This is a Friendly Reminder reminder that your Strata Levies are overdue.

If you have paid these levies in the last few days please ignore this notice, otherwise you may make payment or set up a direct debit via the following link, <https://netstrata.com.au/payments/>. For other payment methods see the second page of the notice attached.

It is important that the Owners Corporation maintain a steady and predictable cashflow to meet recurrent expenses such as Cleaning, Maintenance, Utilities and Insurance.

We appreciate that sometimes payments can be overlooked, however to avoid interest and late payment fees we urge you to remit payment of the overdue levies immediately.

We also understand that due to the current economic environment, some owners may be experiencing difficulty paying their levies.

Your scheme may waive interest and allow owners to enter into payment plans to remit their levies, however this must be approved at a general meeting. See the link below to apply for temporary financial dispensation.

<https://netstrata.com.au/financial-hardship-application/>

Should you have any questions regarding your levy, or any other questions regarding the administration of your scheme please do not hesitate to contact your Strata Manager.

Kind regards,
