To All Owners

Dear Owners,

RE: MINUTES OF ANNUAL GENERAL MEETING | STRATA PLAN NO. AT

Attached are the minutes of the recent Annual General Meeting conducted for your strata scheme and enclosed is a levy payment notice for your 1st quarter levies. The payment options for your levies are detailed on the back of the levy payment notice. We urge you to read the minutes so you're aware of the issues discussed at the meeting and we also write to bring the following matters to your attention;

1. DO YOU HAVE APPROPRIATE CONTENTS & LANDLORDS INSURANCE?

Although many of the elements within your lot are protected by the Strata Building Insurance, we recommend that all owners effect Contents Insurance to protect those elements of your lot that are not covered by Building Insurance.

C.H.U. Australia's leading Strata Insurance provider is now offering comprehensive Common Contents and Landlord Insurance for owners in Strata Schemes.

For a quote and simply go to our website www.netstrata.com.au and follow the prompts.

4. INSTALLATION OF SECURITY DEVICES

The security of the strata scheme and individual apartments is of paramount importance for all owners and residents at the scheme.

NSW legislation permits all owners to undertake the installation of additional locking devices, security screens or other security devices to their windows, front doors, balcony doors and garage doors to further secure their individual apartments, villas or townhouses. However, please note, any additional locking devices must adhere to current fire safety regulations – a licensed locksmith will be able to advise such regulations.

To further assist, we have developed an information guide called **Securing your Strata Title or Community Title Property**. This guide has been prepared in conjunction with our office and the NSW Police and provides owners with several useful tips surrounding communal security. For a copy of the guide, go to our website www.netstrata.com.au and search for “Securing your Strata Title or Community Title Property”.
